

Solar & Electrical Systems

Solar System

- 4 x Sunpower X21 solar panels (345W)
- 2 x Victron Energy Smart Solar MPPT

Reinforced solar structure for tender storage

Electrical Systems

- 2 x Victron Energy Multiplus
- 2 x Li Ion 90Ah 12V – System Batteries
- 2 x DC/DC 48V/12V 30A System Battery charger
- 1 x Switch panel on helm station
- 1 x Shore connection socket 16A + plug + 15m cable
- 1 x Fixed VHF + Antenna

Soundsystem

- 2 x JLAudio marine subwoofer
- 2 x JLAudio marine speaker
- 2 x JLAudio marine amplifier

100% Autonomous
Unlimited range,
Endless possibilities.
